About me

After completing my university studies in 2011, I was active in the auditing sector, first for SMEs and then, especially during my experience in French-speaking Switzerland, for multinationals and listed companies. I started my activity in Fiduciaria Mega in 2017 as a business consultant. My activity focuses on advising companies, both in terms of ordinary management (account closing, ordinary taxation, financial statement reporting) and extraordinary management (due diligence, business plans and company valuations).

Areas of activity

- Administrative and financial advice to companies
- Corporate and tax advice for extraordinary transactions
- Preparation of budgets and financial plans (day-to-day management and relations with financial institutions)
- Advice on account closing
- Due diligence in the context of reorganisations/restructuring (M&A)
- Evaluation of projects, investments and companies
- Audit of accounts

Professional experience

- Director Fiduciaria Mega SA (since 2022)
- Vice Director Fiduciaria Mega SA (2020)
- Joined Fiduciaria Mega SA, Lugano (2017)
- Assistant Manager, Assurance, PwC SA, Lausanne - Lugano (2013-2016)
- Assistant, Deloitte SA, Lugano (2011-2012)

Training

- Academy of the Fiduciary Chamber Lausanne – Swiss certified public accountant (2014)
- Master's Degree in Economic and Business Sciences, University of Milan Bicocca (2011)
- Erasmus programme at the University of Vaasa (Finland)

Affiliations and qualifications

- EXPERTsuisse - Swiss Expert Association for Audit, Tax and Fiduciary
- FAOA - Federal Audit Oversight Authority, licensed audit expert
